Pacific wins Funder of the year for second time!

Pacific was again recognised as the "Premium Funder of the Year" for 2007 at the recent Australian & New Zealand Insurance Industry awards.

This is Pacific's second award since winning the inaugural award in 2005.

The Judges noted our customer focus via our "voice of customer" survey and high satisfaction score, including our soapbox initiative and continued growth, as contributing factors to our win.
